HE'S LEGLESS!

Snakes go berserk on the booze

RATBAG reptiles in Oz, including some of our finest MAN-KILLING JOE BLAKES, are getting on the grog in unprecedented numbers.

Just the other day in the Northern Territory near Ali Curung – you know, between Wilora and Tennant Creek – this mulga snake was found with its head stuck in a can of VB, with no thought of the damage it was doing to its LIVER.

Local police officer Charles Pollard was called to the scene and later gave his appraisal of the delicate situation.

"He was alive and pretty aggro," he said, summing up the situation.

Hmm. Sounds familiar. Coulda been us after knock-off last Friday.

But unfortunately it's not an isolated incident, with snakes all over the country getting trapped by their boozy habits (see TRAGIC inset pic).

For some reason, sticking their slithery scones into a VB can seems to be a standard party trick for snakes, and it's not a good look.

So if you know a snake that's been hitting it a bit hard lately, have a quiet word before it gets itself trapped in a tinny and BOOZE-SHAMED in the pages of Australia's most RESPONSIBLE mag. The Picture

LUCY

How'd you like a long, tall glass of Lucy Vixen?

THERE'S nothing better than a STEAMING REDHEAD to warm up these cold winter nights, so it's beaut to have Pommy model Lucy Vixen back in the mag.

We've admired Lucy and her AWE-INSPIRING CHUMBA-WUMBAS for years, and it's nice to have this opportunity to have a little GASBAG with her about them.

What's the best thing about having such beaut big tits, Luce?

"When I'm swimming they float and feel all soft and squishy! It's rather satisfying!"

Sounds like it. Do you like your boobs being played with?

"I love them being played with! Though my nipples aren't all that sensitive. And rather than a one-handed grab, you'd need about four

hands to grab one of them!”

We’ll take that into account. Call in reinforcements. Have you named them?

“I had names for them once upon a time – ‘Rob’ and ‘Yanis’, after the first boy I kissed, and the first HOLIDAY boy I kissed. Now I just call them ‘the girls’.”

Hello girls! Do you ever mix drinking and nudity, Luce?

“Yeah. Playing PlayStation VR with all my mates I tend to get drunk and strip off totally naked.”

Just as it should be played. And who do you reckon will win the Ashes at the end of the year?

“England! Go on the Barmy army!”

Damn. We were getting on so well and you had to go and spoil it. ■ Picture

News Flash

Believe it or not, this shit happened!

Mike tried digging for bar snacks...

BEER SAVED ME!

SEPPO Mick Ohman survived more than two days in the desert thanks to our old pal BEER. Mike, 55, was stranded when his car shat itself in the middle of fucken NOWHERE, Arizona, in 38-plus temperatures. He had only two beers, a sandwich and a small bottle of water to get by on. After he'd necked the beer, he drank his own urine, and said it was not so crook as you'd reckon. "I was surprised – it wasn't as obnoxious as I thought it would be." Well DUH – it's just second-hand beer, after all. We dunno what Mike did with the water – probably used it to wash his hands. He was eventually rescued by a passing trailbike rider. Beer – don't leave home without it.

CROC-TEASE

SALTIES are tops in our book, and the BIGGER they are, the BEAUTER they are. Which makes this five-metre, 800kg lizard about the BEAUTEST thing we've seen all week. TV croc-catching bloke Matt Wright nabbed the big ol' scamp on a property in the NT, where it had been ANNOYING the cattle. He wrapped its eyes in hessian and duct tape so it wouldn't panic and FUCK ITSELF UP, then had it transported to a luxury billabong where it could see out its days romping and playing with the other crocs.

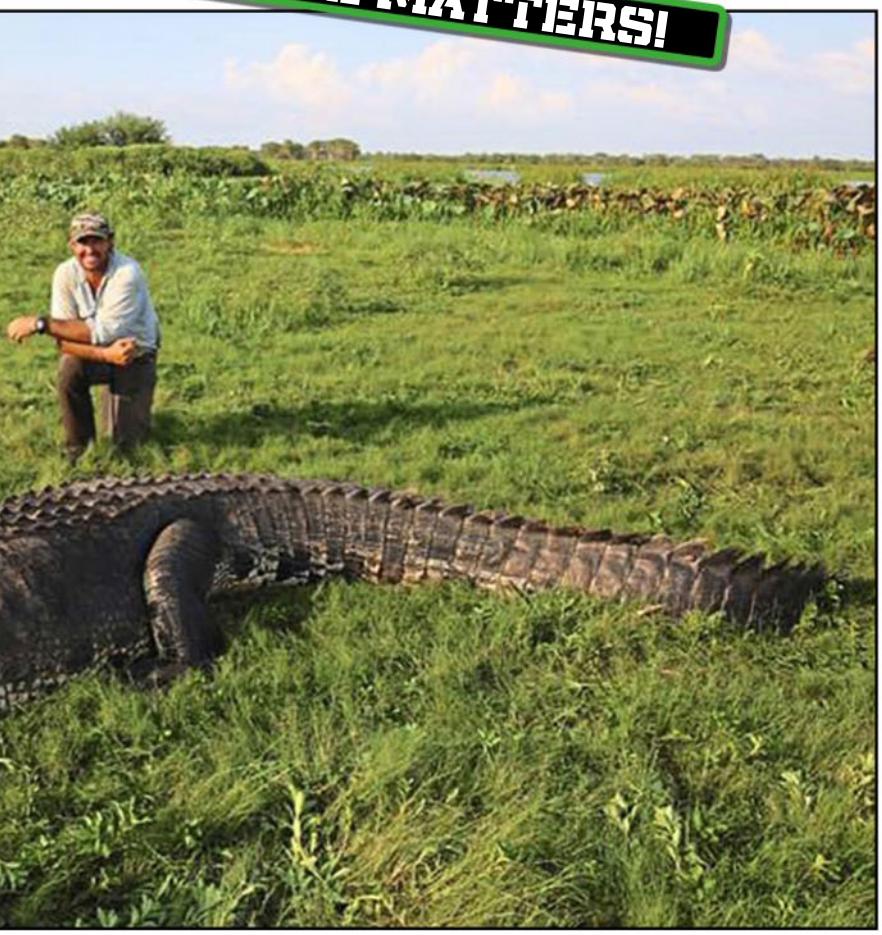
KISS HAS A COW

A NEWBORN calf in the US is a dead spit for KISS rocker Gene Simmons. The li'l mooer was born on a ranch near Kerrville, Texas, and named "Genie". It's owner Heather Taccetta said owing to the calf's GOOD LOOKS, it wouldn't be going to the abbatoir and would be kept as a family pet. Simmo got in on the act himself, tweeting: "This is real, folks!!!" We hope it wasn't a typo and he REALLY meant to write, "This is VEAL, folks!" Cos that'd just be SICK.

SIZE MATTERS!



MINI-MAY!

IF YOU can't score a ticket to the big stoush between boxing champ Floyd Mayweather and UFC nutcase Conor McGregor, this may be the next best thing. These pint-sized versions will go bulky noggin to bulky noggin over three rounds for the 'very, very lightweight championship of the world' at the Hustler Club in Las Vegas the day before that other scrap. And if you're thinking of getting a bet on, be advised that Mini-Mayweather beat Mini-Manny Pacquiao in 2015, so he has the form.

MINI-MAC!

AYE CAR-UMBA!

DARIUS Monty shouldn't have any trouble getting a girlfriend. He's not THAT ugly – for a Pom – he's got a few bucks and owns his own pub. But Dazza, 35, from Surry, hasn't scored himself some hot Page 3 babe. Instead he's fallen in LUST with his CAR! Daz suffers from mechanophilia, which he gets THE HORN over cars. In his case, one particular vehicle, his gold X-Type Jag. "I didn't choose this but I have fallen for a car, just like other men fall for women," the LOVE-STRUCK LUMMOX says. "I don't see her as an object, I look at her and I see my lover. Something about her smooth, shiny paintwork and perfect curves turned me on." He even reckons he has sex with it, but we're fucked if we can figure out HOW.

It's even spilled over from groceries to other retail outlets, with reports coming in of random flashes in clothes stores, chemists and BONG SHOPS.

To give credit where it's due, it looks like the Poms are way out in front of the rest of the world on this particular one.

Well, at least they're getting good at something, eh.

But we can't let them get too far ahead of us, so we're hoping patriotic Aussie sheilas will do the right by our beaut SUN-FUCKED country and get down the shops, GET THEIR BITS OUT and stick it to the old enemy.

Remember, we've got a test series against them coming up at the end of the year, so by the time it rolls around we wanna be sure we've already got them beaten in the GASHES ASHES. **Picture**

PICTURE PRESENTS...

THE NEXT BRA IN TO

WIMBLEDON's done and dusted and the Aussies did about as well as you'd expect – fucken SHITHOUSE.

Bernie "The Tank Engine" Tomic and Nick "Mild Thing" Kyrgios crashed out so fast we barely had time to get into the cans before they were off to the nearest Porsche dealership to pick themselves up something in a nice shade of purple, with extra chrome.

Still, they got paid just for showing up, and that's the main thing.

But it looks like both their careers are just about in the toilet, so THE PICTURE, being a great supporter of Aussie sport, decided to step in. We figured we'd scour the tennis courts of Australia to find our next superstar.

And we think we've found him. Australia, meet Jayden Kuntzakis.

Jayden was chucking water bottles at the umpire during his first round match in the East Dubbo Masters when we spotted him.

As soon as he faked a brain tumour to get out of playing the second set, we knew we had our man. We bailed him up for this exclusive PICTURE courtside interview.

Jayden, you looked a bit rough out there today. How'd you pull up?

WHAT THE WN

We've discovered Oz's next tennis superstar!

"Fuck youse – I'm a STARRRRRR!"

Yeah, mate. Whatever you say. What are your plans for the Grand Slams?

"I've got a Beemer, two Maseratis and I get more pocket money than Prince fucken William! Nyah-nyah-nyah!"

Sounds terrific. Do you prefer a two-handed backhand, or are you more old school?

"If you write anything shit about me my dad'll fucken smash ya!"

Good thing he's doing a 10 stretch for threatening to blow up Rod Laver Arena. Any chance you'll take on a former Aussie legend as coach? Cash? Rafter? The Poo?

"They're all tools! I've got a gold cock ring! I fucked your sister! Beyoncé wants my babies!"

Mate, you're the real deal! When's your next tourny so we can come and watch you play?

"Fuck that! I hate tennis. Gunna take a nap now. Count my cars. Fuck off!"

There you have it, Aussie sports lovers – the new face of Australian tennis.

So let's all get behind young Jayden Kuntzakis as he climbs his way, rung by rung, to the bottom of the ATP rankings.

But be quick before he chucks another spazmo and gives it all up to become a DJ.

GO THE KUNT! ■ Picture

Jayden will be dropping in to the mag from time to time to give his opinions on all things sport. We were a bit reluctant at first, but he said he'd let us have a drive of one of his Maseratis if we let him, and to be honest, we're still kinda scared of his dad, 10 stretch or not.

AN OLD Catholic priest has a heart attack, passes out and is rushed to the hospital. He regains consciousness as he's being pushed through the hospital on a gurney by two nurses.

"Have I died? Am I in heaven?" asks the disoriented priest.

"No," says one of the nurses. "We're just taking a short cut through the children's ward."

LARRY, who is 90, goes for a check-up and all of his tests come back normal. The doctor says, "Larry, everything looks great, but obviously you won't live forever. Are you at peace with God?"

"God and I are tight," Larry replies. "He knows I have poor eyesight, so he's fixed it so when I get up in the middle of the night to go to the bathroom, poof! The light goes on. When I'm done, poof! The light goes off."

"Wow, that's incredible," the doctor says, amazed.

A little later in the day, the doctor calls Larry's wife, Bonnie.

"Bonnie," he says. "Larry is doing fine. But I had to call you because I'm in awe of his relationship with God. Is it true that he gets up during the night, the light magically goes on in the bathroom, and when he's done, the light goes off again?"

"Oh for fuck's sake!" exclaims Bonnie. "He's pissing in the fridge again!"

JOKE OF THE WEEK WINS $100

A VERY handsome man is badly injured in a terrible car accident. The doctors save his life, but he loses one eye. Before a glass one can be fitted, he is temporarily given a wooden one to keep up appearances.

The man becomes very depressed because of the loss of his eye and sits at home moping, unable to face the world. Eventually a few of his friends drop by and drag him out to a bar to try and cheer him up.

But when he gets to the bar he just sits there feeling sorry for himself and not talking to anyone, so one of his friends suggests he tries to pick up a cute girl who is on her own.

"No, she'll never go for a man with a wooden eye," he says.

"How about that one over there?" his friend says. "She's got a really big nose so she won't be choosey."

The man walks over to the girl and asks, "Would you like to dance?"

Very excited to be asked to dance by such a handsome man, she responds, "Would I! Would I!"

The man immediately yells back, "Big nose! Big nose!"

JOE, FITZROY, SA

A MORMON mum was making pancakes for her sons, Owen and Billy. When the boys began to argue over who would get the first pancake, their mother saw the opportunity to teaxh them a moral lesson.

"If Jesus were sitting here," she said. "I bet he'd say 'Let my brother have the first pancake. I can wait.'"

Owen turned to his younger brother and said, "Billy, you be Jesus."

A BLOKE decides to ask his best mate for some advice about the terrible dilemma facing him.

"There's this girl that's moved in next door," he explains. " She's drop dead gorgeous, but I can't talk to her because every time I see her I get a raging boner. Rock hard every time. It's so obvious and I get terribly embarrassed."

His mate thinks it over for a second and says, " I'll tell you what to do. Before you go over to see her, duct tape your dick to the inside of your leg, so if you crack a fat it'll stay out of sight."

The next day the bloke comes over to see his mate again, and he's obviously down in the dumps. His mate asks, "So how'd it go?"

He says, "I taped my dick to my leg like you said and went over to ask her out. You should have seen her – she was wearing a skin-tight, low-cut mini-dress with no underwear and I could see every curve of her perfect body. Her cleavage was sensational, her nipples were hard and her incredible long, tanned legs seemed to go on forever.

"Her hair and make-up made her look like a movie star, and she wore the sexiest perfume I'd ever smelled. And she looked at me with her big, blue bedroom eyes like she wanted to fuck me on the spot."

"Yeah?" asks the mate. "And then what happened?"

"Well," the bloke replies. "I kicked her in the face."

THIS WEEK: EXES

I had a wank over my ex last night. I know it's wrong, but I still had a spare key, and she's a very sound sleeper.

Q. WHAT DO YOU CALL YOUR EX-GIRLFRIEND WITH PMS AND ESP?
A. A BITCH WHO THINKS SHE KNOWS EVERYTHING.

My ex-girlfriend had a really weird fetish. She used to dress up as herself and act like a fucking bitch all the time.

My ex-girlfriend caught me in the shower with a hard-on, so I asked "Can you help me get rid of this?". She left the room and came back with a photo of her mother.

If ignorance is bliss, my ex-wife is having one life-long orgasm.

My ex-wife told all her mates that I have a small penis and I'm shit in bed. As if they didn't already know.

My ex-wife's gynaecologist quit his job after her last appointment – apparently he's afraid of the dark.

I WROTE a poem about pubes for ya:
Pubes, pubes, pubes.
They're almost as much fun as boobs
They get stuck in your teeth and tickle your nose
Why chicks shave them off, nobody knows
They give the map of Tassie its shape and form
And they keep the little man in the boat warm
If ever we live in a world without any pubes
It'll be a sure sign civilisation has gone down the tubes.

BACHELOR PARTY

MATE, I loved the pics of that chick from *The Bachelor* in issue #1437. I must've missed her the first time she appeared in THE PICTURE, but she was definitely worth a second go. My missus watches that crapola religiously, and I have to go and sit in another room when she does otherwise I'd put me Blunnie through the TV screen, it shits me that much. But now I've seen what's-her-name's beaut tits and a hint of her smoo, I'm getting interested. If only they'd film her with her gear off and having a lez-out with one of the other chicks, I might even make it through a whole episode. My missus is always saying that we should do more things together.

L.M., TERRIGAL, NSW

MUNGO SAYS: Yeah, that show's pretty crap as it is. They oughta rename it The Bitchelor, the way those babes rip into each other. They are ruthless. I reckon if they flicked the bloke altogether and just make it one big naked chick-fest it'd be a lot less aggravating. They'd probably all get on a lot better, too.

AND HERE WE GO AGAIN...

MUNGO, as you requested in Readers World #1437, I put my poetry hat on and came up with this:

I once knew a girl from Geelong
Whose pubes were curly and long
When I went down for a growl
She started to howl
'Cos the damn things were stuck to her thong

P.K., LEETON, NSW

MUNGO SAYS: That's more like it! And it'd fit nicely on the back of a dunny door. You've definitely got the knack, P.K. Can ya get in touch with Pedro and give him a few tips?

BULLS MIGHT FLY

CATTLE BATTLE!

Seppo professional bull rider Mike "Noggin of Steel" Lee has been wearing helmets when he rides bulls for a while now. It may not look as cool as a cowboy hat, but when you've had around 800 rides on these monster bullies, like he has, and been stomped into the dirt more times than you can remember, like he has, who gives a GOSH-DARN about style? Mike must have been extra glad he was wearing the skid lid instead of a stetson when he came out of the chute riding Sosa'a Alley Cat at the PBR Frontier Communications event in Sacramento, California, earlier this year. 'Cos the bull took a bit of a snit at him for some reason and did its best to make mud pies with his guts. By the look of this, it's trying to pull off a four-hoofed ATOMIC DROP from the top rope, aiming at Mike's kidneys. The good news is it missed, and Mike, a 15-year veteran of the US pro bull-riding circuit and a former world champion, lived to ride another day. Better him than us, eh.

Turns out selfies don't always

EVERY Tom, Dick and FRED has a phone with a camera attached to it these days, which means there's a whole lot more people wanting to show you a picture of their dumb cat, what they ate for brekkie or how big their poo was.

Thankfully, it also means heaps more chicks taking pictures of themselves with their PINK BITS hanging out and sending them to all their mates.

But if you don't happen to be one of those lucky recipients, don't stress, we here at THE PICTURE have picked out the BEAUTEST, most FAPWORTHY selfies we could find, just for you to have a tug over. Enjoy. ■ Picture

HAD a weird thing happen recently, Trin. Picked up this bird and during foreplay she kept trying to suck my toes and stuff, which was fine, but then she wanted me to stick my big toe in her pussy and fuck her with it. I did it, but it was fucken weird. Have you ever heard of this or done it?

HEY babe, I really want to be able to squirt! The women in porn films look like they're having the best orgasms when they do it. Can you teach me?

TRINITY SAYS: ***It's all about the angle and pressure, babe. It took me until I was 31 to be able to squirt. I can't do it to myself, I need someone else to help, but now that I know the sensation I'm making it happen more often. Although I'm still yet to completely master it. Keep at it doll, you'll get there.***

TRIN, my missus and I have been having threesomes for years. We've got a kid and as he's getting older, I keep thinking he could be one of the kids from our threesome roots – should I get the lil fella tested?

WORRIED, VIA EMAIL

TRINITY SAYS: ***Wow mate, that's big jigs! If you're in doubt then definitely get it checked. You can't put a price on peace of mind, mate. However, if you were smashing all these threesomes one would hope you were safe about it. And if not, you should've been!***

TATT'S FUCKED

OI, I know you have tatts and stuff now, but I reckon chicks with ink look shithouse. Why did you get so many tattoos? They only look good on guys.

KING KONG, DARWIN, NT

TRINITY SAYS: ***Go over to the mirror***

Velvet Cream Imagery, Krusty B

and take a good look, mate – what's your excuse for being that ugly? Oh wait, you were born that way. Well, sucks to be you. Eat my poo. Chicks with tatts are hot!

YOUR NUMBER, PLEASE?

HEY Trin. I want to send you a dick pic. What's your mobile number? My tockley is about 7 inches long and I'm told it's the best cock in Queensland. Give us your digits so you can see this beauty.

J.T., GOLD COAST, QLD

TRINITY SAYS: If I told you the sky was red, would you believe that too? What's so special about your cock anyway? Seven inches isn't anything to rave about. Good size, but nothing special. Send a pic into the mag and I'll be the judge of that!

COUNTRY PUMPKINS

TRIN, I saw you a few years back at the Tamworth Country Music Festival. Do you think you'll ever come back? Have you ever slept with a country boy? If you haven't you don't really know what you're missing.

STU, TAMWORTH, NSW

TRINITY SAYS: Good old Golden Guitar. Tamworth was great, won't be back there anytime soon though. From memory, country boys are good in bed, but that was a while back. They're quietly confident, which is a nice and refreshing surprise.

SNATCH-SQUATCH

I'M really into pubes, Trin. Back when I was a teenager all the chicks had pubes, so I guess that's where my real love of them came from. When I see a photo of lady with a big map of Tassie it really turns me on. It really disappoints me that not many chicks have pubes today. Do you think you will ever grow your bush out? I'd love to see your thatch?

MICK, KINGSWOOD, NSW

TRINITY SAYS: I've got a Bermuda Triangle currently but I'll never, ever have a full bush. Personally, I think its gross being all hairy and unmaintained down there. All sweaty and shit. Yuck.

TRINITY'S CONFESSION

Guys, don't be afraid to use toys in the bedroom. It doesn't make you any worse of a lover. A sex toy is there for you and your partner to enjoy yourselves and that's exactly what sex is all about! So suck it up, get a vibe, butt-plug, nipple clamps, ropes, whatever tickles your fancy and start enjoying yourself!

BIG DADDY

I THROW it around a bit and you know what I've noticed? Heaps of chicks these days call me "Daddy" when we're rooting! I'm only 32 and some of these chicks are older than me. What's all this about? I don't mind it at all, but it's so weird how it's just started happening over the last year or so. Do you ever call blokes Daddy?

GOOSE, MELBOURNE, VIC

TRINITY SAYS: Ha! I was just sharing a similar story with a friend of mine when I read your letter. It's funny as a joke, but I don't think it's sexy. However, it's surprising how many guys do actually froth over it. Whatever floats your boat!

PANTS PROBLEM

I'VE got this massive fetish for chicks in yoga pants. I'm so happy that more chicks are wearing them these days, but the only issue is that I get wood when I'm down at the shops because they are so common. Do you ever wear yoga pants? I'd pay $100 for one of your old pairs. Please let me know.

CHRIS, RICHMOND, NSW

TRINITY SAYS: Send me your address and I'll send you a bag-load of my old yoga and gym tights. Good timing 'cos I'm about to do a clean out. Will you wear them yourself? That'd be hilarious, but well kinky! I Love that shit!

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

WHO:

WHAT:
A fence spike up the bum

OUCH FACTOR

But thanks to our old pal alcohol, he reckons he hardly felt a thing

YOUR normal break-and-enter involves crowbarring a door on someone's house and nicking their laptop or brand-new plasma teev.

This bloke had loftier ambitions. He was breaking into a museum to steal... well, we dunno exactly what he was planning to steal, but it was probably something really cool.

A mummy. Some dinosaur bones. Cameron Smith's 350th game jersey.

Whatever it was, he never got it, 'cos while climbing over a spikey fence to get at the historical goodies, he slipped, and, as the expression goes, TORE HIMSELF A NEW ARSEHOLE.

Or maybe it went up his already existing freckle.

We're not fucking doctors, so we can't tell you for sure.

What we can tell you is that he hung up there for two hours, wriggling back and forth and probably thinking he might give the crime a miss from now on and study for his plumber's license.

The cops eventually came and hoisted him off the fence and the 32-year-old tea leaf was charged with all the usual shit.

Funny thing was, he told the cops he was so pissed he hardly felt it. Bet he did when he sobered up, but.

We'd tell this bloke to GET UP YA SOOK, but from the looks of the fella we reckon he probably wouldn't be sitting down for a while anyway. **Picture**

WET DREAMS

WA skimpy Taylor Jayne will make yours come true

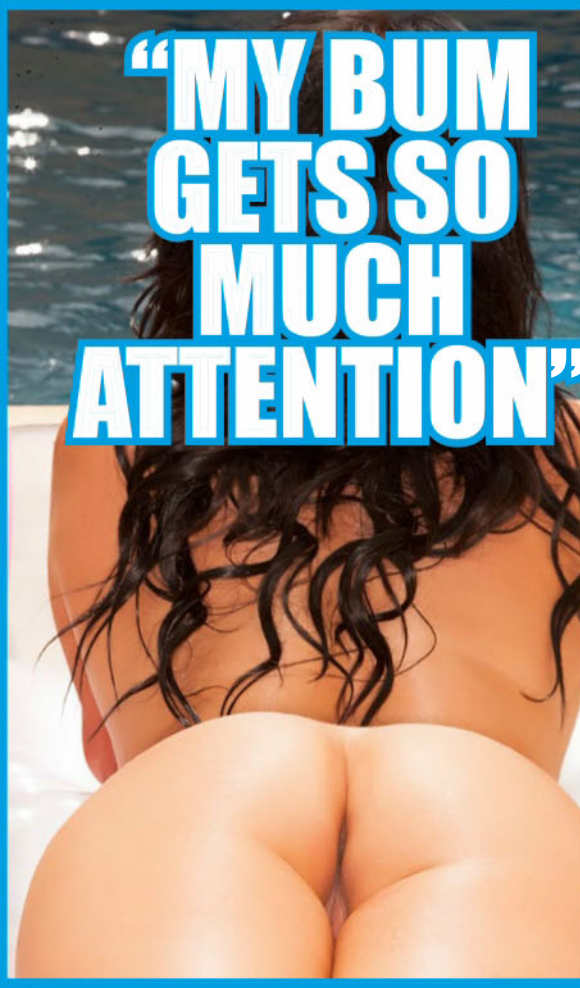
BEER, tits, a beautiful arse and a big smile – there's your four major food groups right there.

That would make WA skimpy barmaid and stripper Taylor Jayne a NUTRITION GURU, 'cos she dishes up all that – and so much more!

Taylor took up the skimpy life for a change of scenery a while ago and has been hooked on it ever

YOU'LL BE UP ALL NIGHT!

"MY BUM GETS SO MUCH ATTENTION"



since. She loves the life and, beautly, it loves her right back.

So what do you like so much about the gig?

"It's short hours for great pay and you don't usually start work till the afternoon – and I love a good sleep-in! And you get to travel to places you wouldn't normally go to. I went to Broome for work recently to escape the winter, and that was an awesome experience."

Any downsides?

"The hardest part is dealing with drunk and disorderly patrons, but most are very respectful and well behaved."

Manners matter, Taylor. But you don't mind a bit of JOLLY BANTER, do you?

"No, that's fine. We see all walks of life from behind the bar and there are some characters out there, that's for sure. One guy said to me 'I think it's time I tell you what people are saying behind your back – NICE ARSE!'"

He got that right. Is your bum what keeps the punters coming back?

"I'd have to say my booty and green eyes get all the attention."

How about if the roles were reversed. How'd you like your vodka and tonic served up to you by a shirtless hunk?

"To be honest I'm not a massive fan of big

muscles, especially steroid-enhanced ones. I just like your everyday, manly tradie type guys. But I wouldn't mind having someone like Jax Teller off *Sons of Anarchy* serving me some drinks – and maybe something else! He's got that sexy, bad-boy-but-a-sweetheart thing going on."

Beside skimpying you have another string to your bow, your stripping career. How's that going?

"It's super fun getting paid to dance, which has always been a passion of mine anyway. And it keeps you fit at the same time. Plus I get to play dress-ups each day in sexy outfits."

How's the social scene in that world?

"I had a wild night at an after-party for the Star Awards [the WA striper awards night – ed]. You know it's going to be a wild night when there's alcohol and strippers involved. What can I say? We get loose!"

Been getting any HOT SEX lately, babe?

"A while back I participated in some hot and steamy activities at a swingers' club. Let's just say it opened my eyes up to a whole new world!"

What's something you HAVEN'T tried yet?

"I haven't tried hooking up with a girl! I'm surrounded by hot, naked women all the time, sooooo..."

Let us know how that works out. ■ Picture

GOOD ANYA!

Brunette bombshell is a **perfect 10**

ANYA'S body is built for sex – from her beaut boobs to her awesome arse, she's basically Australia's Wonderland for blokes. And what's more she loves taking off her clothes.

"I've done a few shoots now and I'm getting really confident in front of the camera," said the cheeky 19-year-old. "And I'm really proud of the way my body looks."

High five! What's your fave part of your body?

"I like my boobs. They aren't huge, but I had no boobs for a long time. They only started growing quite late. I'm very grateful for them."

Did blokes notice too?

"Yes, but I think they are more into my bum. For some reason that's the thing that most guys seem to check out."

Made in RUSSIA Girl

FROM RUSSIA
WITH LOVE

"THERE'S NOTHING WORSE THAN BORING SEX"

We don't blame them. ELEVENTY SEVEN blokes must try to pick you up every day!

"Not really. In the summer when I'm wearing less I get a lot more stares and compliments."

Are you having BULK SEX?

"I'm having lots of sex with my boyfriend. I've been with him for six months now. I have a really high sex drive and sometimes he even complains about how much I want to do it."

What makes you scream out a fella's name?

"When he goes down on me and trying new things. There's nothing worse than boring sex in the same positions every time."

Tell us more.

"The best thing a guy can do is dominate. I love it when they take total control over the situation."

Do you ever ride on top?

"Sure. But I like facing the other way for some reason. It just feels better."

My Scariest Fuck

RAISE THE DEAD

FANCY-dress parties are a wank, but one time I went to a Halloween bash and it was the duck's guts.

There were heaps of babes about dressed in exotic costumes –belly dancer, French maid, etc – so I was in heaven.

I just had on Akubra and some RM Williams boots and went as a cowboy, but nobody minded my shit costume, and that's when I saw the Ghost Woman.

She had a sheet partly wrapped around her, a coat of greenish-white paint over her body, and she was fucken stacked. I said to myself, "I don't care if she looks like a corpse, I'm gunna hit that."

I went over and started chatting her up and all she did was smile and stare up at me with these weird yellow eyes, which I assumed were coloured contact lenses.

When I suggested we sneak into a bedroom and bump uglies she nodded, so we found a room with a bed in it and I stripped off and watched as she chucked her sheet back like a cape. That's when I noticed her whole body was glowing.

Fair enough, I thought, and she climbed on top and straddled me and started churning butter.

Straight away I noticed her smoo was icy cold and had a grip like a vice. Then she began moaning and her movements got more violent, until she started shuddering and her moaning got very fucken weird, like screaming, only from very far away.

I was sort of freaked out, but owing to the incredibly impressive smoo-grip she had on my todger I couldn't help but shoot my load, at which stage I must've passed out, 'cos when I opened my eyes again she was gone.

I pulled my jeans back on and bolted back to the party, but when I asked if anyone had seen a Ghost Woman, nobody seemed to know who I was talking about.

You know what? I think I must've fucked a real live – sorry, I mean dead – ghost!

SNOW WORRIES!

MY MISSUS is mad – a lot of fun, but sometimes I wonder if I'm gunna survive this relationship.

She's always coming up with new and exciting ways to have a root, most of them involving near-death experiences.

The last time she nearly got us killed was when we went down the snow and she decides that sex on a toboggan is a must-do.

So she hires a two-person sled and at first it seems like a good laugh, mucking around on a little slope with her straddling me and us sliding around cacking ourselves.

Mind you, we're still fully clothed at this stage – this is just the trial run.

Then she gets it in her head to drag the thing up higher and do it for real.

So up we trudge, and she works out all the angles, sits me down and pulls my pants half way down my thighs so my poor pecker is exposed to the freezing air. It stands up like a champion, but.

Then she wiggles her pants down far enough to sit on it, her back to me, and in I slide, nice and warm.

Then we start having a nice little root, and I notice we're starting to slide down the slope, picking up pace as we go.

As I start to get close to shooting my wad, we're going quite fast and I see there's a frozen lake at the bottom of the hill. Meanwhile, my missus is laughing and woo-hooing, oblivious to our impending death.

She's really pumping up and down, and the frozen lake is getting closer and closer, so I dig my heels in, and just as we're about to crash though the ice and drown in the sub-zero water below, I get traction with one foot, we spin sideways and fall off into the snow.

I'm nearly having a heartie, and still my missus thinks it's a hoot.

Still, she's a barrel of laughs, and I'm stuck with her.

SEXUAL OLYMPICS

I'M A little bloke, about 165cm tall, but I've always fancied big chicks. There's something about a tall, Amazon-type babe that just gets me going.

It's like climbing Everest – you know you could hurt yourself if you fall off, but it's the challenge, y'know?

Anyway, I hit pay-dirt one night drinking in my local when these foreign female athletes came in. They were all fit as fuck, and most of them were obviously dykes the way they were hanging off each other.

But there was one bird, she would've been a good 190cms tall, who was sending out come-fuck-me vibes that I just couldn't resist.

I went over and bought her a wine, and she must've liked the look of me 'cos the next thing I knew we were in a cab heading to her hotel.

We got up to her room and she pulled out a bottle of vodka and insisted we do shots, and after the first three or four I wasn't seeing too clearly.

She seemed alright, though, and when she threw me on the bed and started ripping off my clothes I was pretty much in her hands.

When she shoved my face down to lick her smoo I was happy to oblige, but I must've been doing too good a job 'cos she clamped her thighs together and I thought she was gunna crush my skull.

I got a hand free and started waving until she got the message and let me up just as I thought I was gunna pass out.

Then I climbed on top of her, got my dick into her lovely trimmed smoo and started pumping away, but she flipped me over and pinned me to the mattress with her athletic body and started pounding me.

This time I really did think I was gunna die, so I tapped out by banging on the bedside table and she took pity on me and let me up.

In the end I just sat on her lap while she wanked me off, and then I went home.

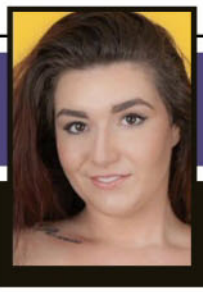
BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

HONEY BUNNY

ADELAIDE, SA

Busty 29-year-old Honey Bunny is doing her best for workplace relations: by sticking her smoo on her colleague's face. "She was a lesbian for a year so she really knows how to use her tongue on my clit ring. I get shy because she is so much better at it than me." ***Maybe you need another girl to join in to practise more.*** "That could be interesting." ***Had much group sex?*** "I've had gang bangs and threesomes with two girls and a guy." ***What is the most number of guys you've been rooted by?*** "I think it was around five. There were a few spectators, as well. I liked that all the attention was on me."

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING? "No, I have always been confident about my body and my sexuality."



HOLLY
CENTRAL COAST, NSW

"I was going at it with a guy in a public area in the middle of the night," admits 23-year-old Holly. "We thought we were alone, but as we walked out, two guys high-fived us and said, 'Good show.' So, so embarrassed." ***Ever been caught before then?*** "When my land lord walked in on me having some 'alone time'." ***Tell us more.*** "I was on the lounge, the mood struck and I didn't realise she had come in and there I am, legs spread, having a grand time." ***She didn't join in?*** "No, she walked out in shock." ***Probably for some 'alone time' of her own after getting a look at that.***

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING? "Most certainly. It wasn't until I became confident in myself and in love with my body that I started to enjoy being photographed."

TAHLIA
SYDNEY, NSW

"I went and stayed with a few female friends in a hotel in the middle of the CBD," says 25-year-old waitress Tahlia. ***For a night at the theatre?*** "Lots of drinking and partying. We noticed a few boys partying in a hotel across from us and ended up at theirs. And these guys were hot. We asked each other crazy sex fantasies, and ended up playing one out. Nothing better than talking to your girls while being bent over the railing on the balcony. Wonder how many people saw us all being fucked at once and a few of us girls having our legs wrapped around a guy's head. Pretty sure there were a couple of girl-on-girl moments, too."

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING? "Absolutely. Very nervous. But, you know, doing either makes you become more comfortable with yourself and your body.

KEL, TOOWOOMBA, QLD
RYDER-HARDE SAYS: *"It's like being single but with a best friend who encourages you to cheat, except it's not cheating. You feel no guilt for all your human responses; finding someone hot, wanting to sleep with others and of course actually doing that."*

"I've made more solo videos than videos with other people"

JOJO
CAIRNS, QLD

Admin worker Jojo, 29, likes to put on a show. "I've filmed myself having sex two or three times; my performances are great, the camera work not so much. And the camera usually gets forgotten about midway through." ***Maybe you need to get a third person in to hold the camera.*** "That's a good idea. Not sure how long they would play camera person, though." ***Made any solo videos?*** "I've made more solo videos than videos with other people." ***What do you enjoy about being filmed BRUSHING THE BEAVER or bonking?*** "The fact I can look back at it and masturbate or fuck to the videos." **WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING?** "I think I was more nervous about being photographed naked than being filmed. But I did eventually forget the camera was there."

$400 HOMIES WHO LOVE HOMIES

MISS PINAY & KAYLA LOUISE

SOUTH BRISBANE, QLD

"The most explicit thing I have done on camera is play with my pussy," brags 27-year-old Kayla Louise. "I have slid my hand down my pants on camera, too," says her 32-year-old bosom buddy Miss Pinay. ***We're sure plenty of blokes are doing just that looking at these pics. What do you like about being photographed naked?*** **Miss Pinay:** "Showing off your confidence." **Kayla Louise:** "I like the freedom of being naked. It is liberating and I enjoy posing nude and getting sexy shots." ***Is it more fun with someone else?*** **Kayla Louise:** "Yes, as we get to have a good chat, giggle and flirt. Two naked ladies are always better than one. I liked her big, sexy boobies." ***You'd have to be BATSHIT CRAZY to not like them. And what do you enjoy about Kayla Louise?*** **Miss Pinay:** "I like Kayla Louise's curves." ***Us too, Miss Pinay. Us too.***

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING?

Kayla Louise: "Very. I was nervous the whole week before the shoot and even more on the day."

Miss Pinay: "Yes, I was nervous."

ELIZABETH

BRISBANE, QLD

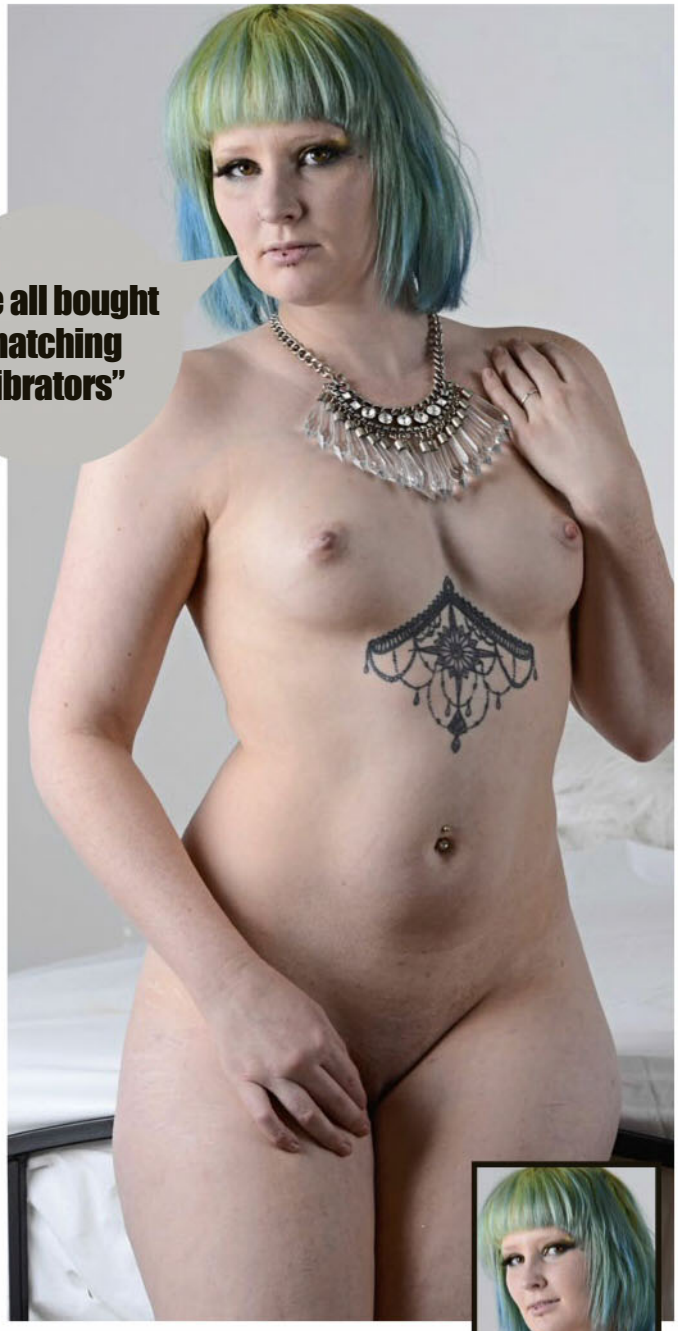
This exotic princess comes all the way from Peru, which we're pretty sure is in South Australia somewhere. Erm... make that South America. "I've been studying English in Australia for the last seven months," Liz, 28, informed us. "And I've also been studying the local men." ***That means you've been fucking Aussie blokes, right?*** "Only one – my boyfriend. The guys out here are all tall with beautiful eyes." ***Erm, thanks. How much PORKING have you been doing?*** "So, so much and it's been so, so good! It's been mainly indoors, though, because it's been too cold to make love outdoors lately." ***Are you out here for good?*** "No, I go home in December. I don't want to leave!" ***Then don't.***

"I really enjoy copping it from behind"

PENNY

MELBOURNE, VIC

There's something very, very wrong with the world when a MEGA-BABE like Penny can make it to the ripe old age of 21 without copping a serving of hot cock: "I only lost my virginity a couple of weeks ago. I was pretty scared the first time, but it was actually a lot of fun," the job-seeking stunna told us. ***Did it just keep getting better from there?*** "Yep, the second time was fantastic and since then I've been trying heaps of different positions and stuff like that. I really enjoy copping it from behind." ***When she's not making up for lost SEXYTIME, Penny enjoys shopping for shoes, playing tennis and splashing paint on canvas.***



"We all bought matching vibrators"

KITTY
ROCKINGHAM, WA

Beaut Kitty has a new toy. "I was unsure about using a butt plug again, but I decided I wanted a vibrator." ***Is it your first buzzing buddy?*** "No, two friends and I went to Sexpo one year on the last day and all bought matching vibrators for 10 bucks." ***Did you take them home and all use them together?*** "I did have a crush on one of the girls, but sadly for me she wasn't into chicks."

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING? "I was 19 and a bit nervous. It was a nude shoot with my best friend and the photographer was one of her friends from high school so it was kind of casual. I was more nervous because I'd never shot without makeup before and the snapper wanted my face to be naked, too."

EMILE
GLEBE, NSW

Twenty-four-year-old French backpacker Emile is liking her colleagues at her new workplace. "All the girls are really sexy and, being bi-curious, I plan to organise a threesome sometime soon which will include one of them. I haven't had a threesome since I was in France!" ***Tell us about that.*** "It was after a Christmas party I went to. The party was thrown by the boss of the company I worked for. Basically myself, a male model and another female promo model decided to get frisky after it. So the guy booked a hotel room and we had lots of wine and went for it." **WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING?** "I think being French takes away a lot of the stigma as we are used to being nude at our beaches and comfortable with our sexuality."

$400 HOMIE OF THE WEEK

SANDY
BRUNSWICK, VIC

"I'm a lot kinkier than most people who know me might think," reveals 26-year-old art student Sandy. "I'm not very open about my sexuality… until you get me alone." ***Well, we've got you alone. What kind of kinky things are you into?*** "I like bondage. There's something so sexy about being restrained while being fucked, it's all about handing over control." ***Do you ever like being the one in the driver's seat?*** "I don't mind it, but I definitely prefer being submissive." ***Is it blokes or chicks that get the pleasure of tying you up?*** "Normally guys. But I wouldn't say no to a hot girl who wanted to bed me!" ***Have you tried a bit of LEZBO LOVING before?*** "Yes, with a friend of a friend. But that was years ago, I think I need to revisit that experience."

WERE YOU NERVOUS THE FIRST TIME YOU WERE PHOTOGRAPHED NUDE OR FILMED FUCKING? "I was very nervous the first time I was photographed. It was with an ex-boyfriend, but after a few photos he got naked too and I felt much more comfortable."

GO FACT YOURSELF!

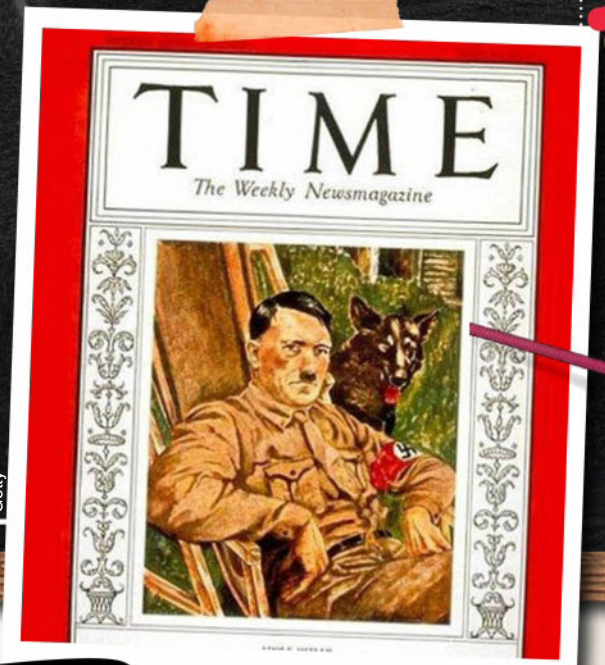
ADOLF HITLER

01. Adolf was a whiffy cunt – he farted heaps, and his doctors were always prescribing him stuff to reduce the pong.

02. They also prescribed him heaps of speed, including early forms of crystal meth. No wonder he BROKE BAD!

03. There's a beetle named after him, Anophthalmus hitleri, that's blind and only lives in five caves in Slovenia.

04. There used to be a street in the town of Yaphank, on Long Island, New York, called Adolf Hitler St, 'cos the locals were all mad Nazi supporters. It was changed in 1941 after Germany declared war on the US.



Getty

05. In 1938, America's *Time* magazine named Hitler their Man of the Year. That was before he started the shitfight known as World War II. Who knew?

06. Hitler's nephew, William Patrick Hitler, son of his brother Alois, was born in Liverpool, England, and later migrated to the US where he served in the US navy during that latter stages of WWII.

07. While Hitler was in power, every newly married couple in Germany were given a free copy of his book *Mein Kampf*. That'd get ya all SEXED UP for the honeymoon, eh!

08. Hitler loved dogs, but for some reason he was scared shitless of cats. Just goes to show, never trust a man who doesn't like puddy tats.

09. The rumour that Hitler had one nad BLOWN OFF during his service in World War I has never been confirmed. But there was an 1980s UK punk band called Hitler's Other Testicle, whose best-loved song was *Where Did It Go?*
